

MOBILE BAR, BAY OF ISLANDS

Kindred Spirits

The bar is the most visited place at any event. After all, we all like to have a special drink made or poured just for you.

ABOUT US

Hi There!

Kindred Spirits is a professional mobile bar ready to cater for up to 150 people with tap beer, cocktails and just about any other beverage you would like us to serve.

We offer packages with our portable bar, or staff alone. We also offer cocktail classes for a fun party. We can help with any special occasion you require our services. We will raise the bar for your event!

The portable bar has been custom built using 100% local resources and is one of a kind. The bar is fully self contained meaning that we do not need power supply, therefore no noisy generator is needed.

We are looking forward to being part of your special event. Please do not hesitate to contact us for any inquiries or questions you might have.

Cheers!
Ben
